

greetings. Then I awoke impressed with this thought, that ere long many of us will sleep our last sleep as does our brother of Lapaz, that so much enjoyed our last meeting there and the blessed thought comes, "we shall know as we are known." Yes, it is likely that we will know no less "over there" than we do here.

Brethren, let us all labor for that happy conference in the blissful future, where all will be love, peace, and pray. We can all find something to do in the work of preparing the world for that conference day, for which all other days were made. Let us hold each other up at a throne of grace. Brethren, thus we can assist in "bearing each other's burdens" and so fulfill the law.

R. K. BINKLEY.

P. S. An isolated member who thought the Brethren church about dead. Since they take the EVANGELIST they have seen their mistake. There can be a number surprised that way. Let us surprise them.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to Cure. Send for list of Testimonials.

Again we are reminded of the goodness of our heavenly Father. On Feb. 6, our faithful servant, Brother Hixson came to us and labored for us at our school house. Altho the weather was intensely cold, quite a crowd assembled to hear the plain gospel truths, and Brother Hixson laboring under disadvantages, namely, lagrippe, did tell them the truth, and how I do wish some of our dear brethren and sisters who have church privileges and stay away with very poor excuses, could have seen those people, hungry and anxious for every word.

Brother Hixson has gone home for a much needed rest. Before going he promised us to return at the earliest opportunity to remain a couple of weeks if God wills. An old gray headed man was heard to remark, if that man comes back I feel I must join

church. His wife at one time a member of the Christian church replied I am ready to go with you any time. We think there is a good opening here and we ask an interest in the prayers of all who are interested in the cause of Christ.

To our Kanemorado brethren, and sisters let me say I believe we scarcely realize what a faithful steward we have in Brother Hixson our evangelist. But I believe God's recording angels are keeping record and I hope and pray it shall never be recorded against us that we did not hold up his hands with our prayers and means which God has given us. Is there one in our district if called to our evangelist's position would answer, "Here am I, send me," perhaps not many but we can all pray. God help us to be earnest for the salvation of souls and at last join that blood-washed throng in yonder world of light.
